

THANKS FOR HELPING SPA WOMEN'S MINISTRY HOMES BUILD HOPE

MORE THAN A CAPITAL CAMPAIGN AN OPPORTUNITY TO BUILD HOPE

"I struggled with drugs and alcohol for over 15 years. I tried in-patient and out-patient treatment and it didn't work. I knew there was something missing in my life. What was it? Why couldn't I get clean? I was about to completely lose my two boys if I didn't change my ways, so I cried out to God for help. And as for answered prayer, which was weird for me because I never knew God nor had I ever been to church, I ended up finding myself at SPA. SPA has completely changed my life for the good. It has helped me with my depression, to build a great relationship with my kids, and to change my whole outlook on life. Thank you God for second chances because I know without your grace, I wouldn't be here."

In our journey with Christ there are moments when He places a God-sized vision and challenge before us. At such moments, we are asked to believe in Him, trust Him, and act in faith. Entering into a capital campaign is such a moment!

Our Lord has sparked in us a vision to reach people with the Gospel of Jesus Christ in a greater way. To do this, He has set before us a challenge: To expand our SPA House to better accommodate the women we currently serve, while also developing new programming such as recovery groups and counseling that can be extended to the broader community.

SPA has an 18-year history working with women who are struggling with life-controlling issues and addictions. Our ladies’ lives are plagued with experiences of child molestation, sexual assault, domestic violence, and drug addiction. Many of our ladies are being introduced to Jesus Christ and His infinite love for the first time. This is life-changing. SPA continues to grow because we choose to obey the Word of God. “God has called each of us through His Word to loose the chains, untie the cords, set the oppressed free, break the yokes, share our food, provide shelter, clothe the naked, and to revive the hearts of the contrite.” Through this campaign, it is our desire to restore hope in the lives of women and families through the Gospel of Jesus Christ! Please prayerfully consider what role God will have you play in this act of faith.

Sincerely,
Sandra Bontrager, Founder, Board President

“The search for affirmation within unhealthy relationships and an addiction to meth and heroin were destroying me and my relationship with my family. I reached out for help and SPA was there. The caring staff, mentors, and volunteers introduced me to Jesus Christ. Today, I am affirmed through Christ and I lean on Him for my strength as I work to build a stronger bond with my children.”

If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.
